- Click fish trap -> fish

Click home -> Enter Kitchen

- Click stove -> Fish on pan
- Click fish => "Fish and corn chowder for the 18th meal in a row."
- Click coworker -> Dead coworker -> -5 sanity. "Smells Bad"
- Click coworker a second time -> transport to scene outside

○ TASK: Bury it

Scene outside

- Click on either the dock, the lighthouse, or home -> "You can't rest until you've taken care of the body. You're not allowed to sleep until you get rid of the rot."
- Click on the dirt mound between the dock and the home -> Fade to black with footsteps-> bury
- TASK: Go To Bed
- Click on home
- Click on table -> Click on journal -> draw dead Camborne as a weird way to process trauma

Day/Week 2

[Bedroom tasks stay the same, some descriptions are altered]

Scene Bedroom

- ❖ Scene bedroom: Click your bed -> "Your bed."
- ❖ Scene bedroom: Click coworker bed -> "It sleeps outside now."

Scene Kitchen

- ❖ **Scene stove:** Click on fish and corn chowder -> "Fish and corn chowder for the 19th meal in a row."
 - Dead meat moving scene.
 - Did you see it move?
 - Yes: +1 sanity point.
 - No: -2 sanity points.

Scene outside:

❖ TASK: Observe Weather

- ❖ Journal -> Three illustrated options: Sunny, cloudy, stormy, rainy, cirrus, cirrostratus, cirrostratus, altostratus, altocumulus, nimbostratus, stratus, cumulus, cumulonimbus
 - Pick "stratus + cloudy" for +2 sanity
 - Something large brushes the water surface
 - Did you see something strange?
 - Yes +1 sanity point
 - No. -2 sanity points

❖ TASK: Maintain the Lighthouse

Scene Lighthouse Top Floor

[Lighthouse tasks + descriptions stay the same until you get to wick trimming]

- ❖ Click on scissors to trim wick -> Light goes out -> Light comes back on -> the scene is the same as before the light flickered
 - Has that stain always been there?
 - Yes (+1 sanity point)
 - No (-2 sanity point)

❖ TASK: Check Fish Traps

[Dock tasks stay the same]

- Outside Background: grave looks disturbed. Click into the grave: "The rain has undone your shoddy grave."
- If you try to leave without inspecting, game blocks you: "The rain has undone your shoddy grave. Go back and fix your mistake."

❖ TASK: Inspect Grave

- Camborne's face is poking out partially
 - Click on the face -> bury -> cut hand, it starts bleeding
 - "Useless. Can't do anything right."

❖ TASK: Bandage your hand.

[Make your way back to your bedroom sink.]

- Click on sink -> click on the towel -> question
- "Are you going to get an infection and die?"
 - Yes. (-2 sanity points)
 - No. It's just a small cut. (+1 sanity points)

❖ TASK: Eat dinner.

- Go to kitchen -> go to stove -> get out pan -> fish on the pan
- "..."
- "Eating fish now will make you sick."

❖ TASK: Go To Bed.

Day/Week 3

❖ TASK: Wash up.

- ❖ Scene sink -> click on shaving tool + toothbrush -> hand is brought up, the wound is festering.
 - Scratch. (-2 sanity points)

- Rinse. (+1 sanity points)
- ❖ **TASK: Eat Breakfast.**
- ❖ “Just corn chowder is enough for you.”
- ❖ **TASK: Observe Weather**
 - The weather looks completely fine as usual, no sign of a storm.
 - Journal -> Illustrated options: Sunny, cloudy, stormy, rainy, cirrus, cirrostratus, cirrostratus, altostratus, altocumulus, nimbostratus, stratus, cumulus, cumulonimbus. There are rain sounds in the background.
 - Pick any category
 - “Is that correct?”
 - Pick any category.
 - “Are you sure?”
 - Pick any category.
 - “Are you certain it’s not raining?”
 - Black out -> raging thunderstorm -> jolt in weather log
 - **TASK: Maintain the Lighthouse**

[Lighthouse task stays the same.]

Scene Top floor of the lighthouse:

- Every task goes as usual outside of the wick trimming.
- Click scissors -> Scissors are dropped -> clanging sounds as scissors fall down to the bottom of the stairs
- “Clumsy oaf.”
- ❖ **TASK: Retrieve your scissors.**

Scene first floor of the lighthouse:

- Click on the stairs -> go to the first floor of the lighthouse to retrieve the scissors.

❖ **TASK: Finish the rest of your maintenance tasks.**

- Click on the stairs -> go back to the top floor of the lighthouse

Scene Top floor of the lighthouse:

- The scissors are beside the stairs.
- Did you drop the scissors or not?
 - I swear I did. (+1 sanity)
 - I don’t know. (-2 sanity)

❖ **TASK: Check Fish Traps**

Scene Dock

- Visuals of the dead bodies, etc. No dialogue. (-10 sanity)
- ❖ **TASK: Avert your eyes.**
- ❖ **TASK: Return to your living quarters**
- ❖ **TASK: Go to Bed**

Day/Week 4

[Wash up, breakfast, weather tasks stay the same]

[“Scratch” is incorporated as an option in each task.]

- ❖ Wash up -> Show hand with festering wound “Scratch”
 - Yes (-2 sanity points)
 - No (+0 sanity points)
- ❖ Breakfast -> Show hand with pus oozing out “Scratch”
 - Yes (-2 sanity points)
 - No (+0 sanity points)
- ❖ Weather observation-> “Scratch”
 - Yes (-2 sanity points)
 - No (+0 sanity points)

Scene: Outside (After the Weather Observation Task is completed)

- ❖ **TASK: Survey the beach**
 - More things have washed up ashore: Broken parts of the ship, canned supplies, corpses -> Click on the pile.
 - “Canned cabbages. Be grateful.”
- ❖ **TASK: Bury them.**
 - Click on the pile of dead bodies again -> click to smash the giant worms - .
Click to dragging -> click to bury next to Camborne.
 - Repeat this for four different bodies.
 - “Scratch?”
 - Yes (-2 sanity points)
 - No (+0 sanity points)
 - The fifth body reveals the grotesque mermaid -> Click
 - “She can be saved.”
 - Click on her body consecutively to perform CPR -> sound effects
 - “You can help her.”
- ❖ **TASK: Take her to Camborne’s bed**
- ❖ **TASK: ~~Lighthouse maintenance~~. There are more important things to tend to right now.**
- ❖ **NEW TASK: Wash hands**

[start of minigame reskin]

- ❖ **NEW TASK: Clean her.**
 - Click mermaid -> Remove the barnacles and seaweed off her body -> her rising chest signifies breathing, or gas escaping from her decomposing body.
 - Click on washcloth on the toolbar to wipe down.
- ❖ **TASK: Disinfect her wound. (alcohol item from toolbar)**
- ❖ **TASK: Wrap her wound. (cloth/blanket/coat from toolbar)**
- ❖ **TASK: Feed her. (corn chowder bowl from toolbar)**
- ❖ Scene bedroom: Click on table -> “Journal entries/sketchbook”
 - “She needed my help, and I saved her. I did a good job.”
 - Draws her healthy.
- ❖ **TASK: Go to bed.**

Day/Week 5

Jumpscare with the mermaid

TASK: wash your hands

[minigame again]

TASK: Mash worms that are on her

TASK: Feed her.

- ❖ Click mermaid -> "She must be in pain"

TASK: Weather observation.

- ❖ Go outside -> Journal -> Multiple illustrated options: Sunny, drizzling, stormy, cloudy (pick specific cloud formation: Cirrus, cirrostratus, cirrostratus, altostratus, altocumulus, nimbostratus, stratus, cumulus, cumulonimbus)
 - Pick "cirrostratus" for +2 sanity
 - Additional option of picking "How is she?"

TASK: Check on her.

- ❖ Go back to the mermaid -> click on her -> close up shows sea bugs and insects eating up her decomposing body.
 - Click to smash the wriggling worms.
 - "You're safe now."

TASK: Maintain Lighthouse.

- ❖ Mermaid makes a sound/jerks her body right as the task pops up -> click mermaid.
 - "I am sorry. I will be back."

[Dinner + Sleep tasks stay the same.]

TASK: Go to bed.

- ❖ If you click on the mermaid
 - "It's my fault. I have to take responsibility"

Day/Week 6

Scene bedroom You wake up to slithering sounds from the mermaid. She is bloated and full of sea worms.

❖ **TASK: Minigame.**

- She looks like she's doing better, but some fresh air would do her good

❖ **TASK: Take her outside to the beach**

❖ **TASK: Sit with her (on sand)**

- ~25 seconds of romantic beach date
- Screens slowly fades to black as u fall asleep, peaceful sleep
- Wake up and u see the mermaid is gone from your arms, floating a little distance away, and the water has reached your waist due to high tide

TASK: Save her

Click into the water, to see new cutscene, which is her floating with sea worms eating up her body. *Mash sea worm sequence

- "N-no, go away!"

- Click to squash and kill all the sea worms, her body is a pulpy, mangled mess by the time you are done. Her face remains pristine and beautiful.

"I'm sorry, I said I would take care of you, but you only got worse."

Mermaid: ...

Does it hurt a lot? Is that why you won't speak anymore?

Mermaid: ...

(She doesn't reply to any dialogue options anymore)

"Oh... she's gone." > take her to the grave. Just sitting in Camborne's chair, accepting the terrible reality

"She just needs more rest" > Take her to bed >

Day/Week 7

Bliss Ending:

Mermaid is awake on her bed staring at you.

Click on her > She nuzzles your hand

TASK: Take her downstairs

TASK: Sit her at the table

TASK: Make breakfast

Usual breakfast task, but this time you hand feed her

There's a knock on the door. A delivery person comes onto the dock, takes one look at you, screams and runs away.

Sanity Ending:

[All the tasks stay the same up until "Go to bed".]

TASK: Clean Camborne's bed

- ❖ There are black stains all over it from previously killing the sea worms on the mermaid here.

- Click on the blanket to pull off the covers -> a letter falls out of the pillowcase -> click to open the letter.

■ "I've already died long ago." -Camborne

- ❖ Click to put the letter down -> click on the bed to pull off the whole blanket.

TASK: Go to bed

- ❖ Lights out.

- Lighthouse head spinning idea

- Camborne's letter
- Botanical on graveyard
- Sitting all alone, with the lighthouse's light and nothing else
